U.S. EPA Project Officer:	<u>Joanne LaBaw</u>
Organization:	<u>United States Environmental Protection Agency, Region 10</u>
Address:	<u>1200 - 6th Avenue, ECL-115</u>
City, State, Zip:	<u>Seattle, WA 98101</u>
Phone/FAX:	<u>206-553-2594/0124</u>

PLEASE DESCRIBE THE TYPE OF WORK TO BE COMPLETED
(Be as detailed as possible to avoid having to provide additional information)

☒ **Provide a detailed description of the proposed U.S. EPA project:**

Site Assessment: The City staff, in cooperation with EPA's Office of Brownfields Cleanup and Development, shall administer the EPA Grant. The City will coordinate assessment activities, including but not limited to, installation of direct-push soil borings and direct-push soil borings with groundwater sampling. The aforementioned site assessment activities will be performed by the City's Environmental Consultant /Contractor, GeoEngineers, Inc.

☒ **Describe the existing project site conditions:**

Properties located at Section 14 Township 24N Range 1E Quarter 33 currently identified as 001-04, 022-01, and 001-06 on the Kitsap County Parcel map BAY VIEW GARDEN TRACTS SUP and JOSEPH DALY GARDEN TRACTS, bounded by Thompson Drive to the west, Pennsylvania Avenue and residential properties to the east, the Port Washington Narrows waterway to the north, and another property parcel to the south. This site and adjacent properties currently are used for light industrial purposes and storage of various materials, including boat parts and metal debris. Historic uses include a coal gasification plant, petroleum bulk storage and distribution plant, concrete manufacturing plant, sheet metal fabricator, drum storage facilities, boat/vehicle repair facilities, sandblasting, painting, electroplating operations, and salvage yard. Immediate past owner was Paul & Margaret McConkey, Theodore and Marion Bloomberg, and E.B. & Ethel Lent.

☒ **Describe the proposed ground disturbing activities:**

Direct-Push Soil Borings and Direct Push Soil Borings with Groundwater Sampling. The soil borings are anticipated not to exceed 40-feet in depth.

☐ **Check if project is being constructed at or near a tribal lands.**

☐ **Check if project is being constructed at or near a known religious or cultural significant area.**

☒ **Check if project is being constructed at or near a large body of water.**

The remedial investigation and assessment activities will occur upland from the Port Washington Narrows.

**Please attach a copy of the relevant portion of a 7.5 Series

Project Location: Township: 24N Range: 1E Section: 14
Address: 1723 Pennsylvania Avenue City: Bremerton County: Kitsap

STATE HISTORIC PRESERVATION OFFICER OPINION
(To be completed by the Office of Archaeology and Historic Preservation)

I understand that the said agency/jurisdiction referred to above is requesting comment by the State Historic Preservation Officer (SHPO) regarding the effect of the proposed work on the National Register or eligible property (s). This statement confirms that the SHPO has been consulted as required by the National Historic Preservation Act of 1966.

- ☐ (1) In my opinion, the proposed work merits a determination that NO HISTORIC PROPERTIES will be AFFECTED. As such no further review by the SHPO is required. However should additional information become available, our assessment may be revised. In the event that archaeological or historic materials are discovered during project activities, work in the immediate vicinity should be discontinued, the area secured, and the tribe's cultural committee and this office notified. . We would appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).
- ☐ (2) In my opinion, the proposed work will have NO ADVERSE EFFECT on the historic resource. As such no further review by the SHPO is required.
- ☐ (3) In my opinion, the proposed work will have an ADVERSE EFFECT on the historic resource. As such further consultation with the SHPO is required, which may result in adjustment of the proposed work or development of a memorandum of agreement (MOA) to mitigate the adverse effect.
- ☐ (4) In my opinion, the proposed work will require further consultation with the SHPO. A professional historic and cultural resources survey will be required.

Signed: _____
On behalf of State Historic Preservation Officer and in conformance with CFR 36.800

Date: _____ Log #: _____

Mail this form to: Office of Archaeology and Historic Preservation or E-mail to: Robert Whitlam, Ph.D.
1063 S. Capitol Way, Suite 106 State Archaeologist, OAHF
P.O. Box 48343 (360) 586-3080
Olympia, WA 98504-8343 robw@cted.wa.gov

(Within 30 days SHPO will mail their opinion back to you.)
